**Office Hours:** Mondays 3-4pm

Note that you may attend the office hours of the other TAs for this course.

I can almost always accomodate additional office hours by appointment.

**Structure:** We will have a short quiz each meeting except around the exam dates. Otherwise, we are mostly free to choose what to do each day. By default we will spend the time discussing questions you bring. I may bring additional material to work on or discuss. If you have any suggestions as to what would be most beneficial to you, don't hesitate to provide them.

**Decorum:** During our meetings you should be respectful of everyone's time: please silence cell phones and keep individual conversations to a minimum. You may bring food if discreet.

**Attendance Policy:** You are expected to attend all classes and are responsible for all information presented. For University excused absences, contact me to determine appropriate accommodations.

**Disabilities:** If you have a DRES letter, please make sure I get it as soon as possible.

**Academic Integrity:** Academic Integrity may be summed up by the phrase, "your work must be your own". Violations will be processed according to the established guidelines. Please note that "it is the responsibility of the student to refrain from infractions of academic integrity, from conduct that may lead to suspicion of such infractions, and from conduct that aids others in such infractions" (§1-401 of the Student Code). Please see §1-401 through §1-406 of the Student Code for additional information and procedures.

*I look forward to working with all of you this semester. Good luck!*
